

Attention Students:

You are invited to participate in an
online study titled:
Academic Pursuits

Participate in a 20-minute study examining students' interest in various scientific disciplines, their career goals, and related topics. Participants who complete the full survey will receive a 10 dollar Amazon.com gift card. Go to:

http://tulane.co1.qualtrics.com/jfe/form/SV_cATDunu9j5dy0Sh

to see if you qualify for participation.

This study is being conducted by Dr. Henry Bart, hbartjr@tulane.edu, and Dr. Laurie O'Brien, lobrien2@tulane.edu, at Tulane University. Dr. Bart is a Professor of Ecology and Evolutionary Biology and Dr. O'Brien is an Associate Professor of Psychology. Please contact them for more information about this study. This study has been reviewed and approved by the Tulane University Institutional Review Board.
