JOB, CAREER & on the job academic performance improvement

all courses are **HYBRID** meaning: individual, instructor & online work available—learning toward job, career & continued education

Sage Xtreme Learning offers
Certificates of Accomplishment

Working for You

coursework is

TASK ORIENTED,
not time oriented

this means the more effort you put in the quicker and better results you get
-accomplish your goals sooner
to get on with your life-

COURSEWORK HAS BEEN DESIGNED BY

SAGE XI

TO HELP YOU ACCOMPLISH YOUR GOALS

the program is free to you
and encourages life changing behavior
to support hope and promote success

we are prepared to assess your current academic standing, determine your strengths and weaknesses, offer advisement, and design a learning plan based on your needs

courses do not help earn a degree

NO Charge for Instruction
